***Acknowledgments***

1. The amendment filed July 22, 2005, is acknowledged. Accordingly, claims 1-17 remain pending and are allowed.
2. This Office Action is given Paper No. 20051017.

**REASONS FOR ALLOWANCE**

3. The following is an Examiner's statement of reasons for allowance:
4. Applicants' arguments as presented in their "Remarks" filed July 22, 2005 are persuasive. Those "Remarks" are incorporated by reference in this Office Action in their entirety.
5. Additionally, the prior art does not disclose the claimed integrated gift card packet having in combination, a secure polyfilm the outer surface, a bar code identifying goods/services and a dollar value associated therewith, a single poly patch, and a multi-layer patch having an adhesive.
6. Regarding the claimed terms, the Examiner notes that a "general term must be understood in the context in which the inventor presents it." *In re Glaug* 283 F.3d 1335, 1340, 62 USPQ2d 1151, 1154 (Fed. Cir. 2002). Therefore the Examiner must interpret the claimed terms as found on pages 1-10 of the specification. Clearly almost all the general terms in the claims may have multiple meanings. So where a claim term "is susceptible to various meanings, . . . the inventor's lexicography must prevail . . . ." *Id.* Using these definitions for the claims, the claimed invention was not reasonably found in the prior art.
7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
